

Cherokee Ridge Alpine Trail Association

Smith Mountain Educational Exhibits Dedication

Hundreds of visitors have already enjoyed the Smith Mountain Educational Exhibits and the time has come for our official dedication of these exhibits and to celebrate and thank so many people and organizations that participated in making these exhibits an exciting addition to Smith Mountain.

Funded by 200+ donors and a generous grant from the Recreational Trails Division of Alabama Department of Environment and Community Affairs ([Click here for ADECA website](#)) this project involved dozens of volunteers in research and implementation. Displays were professionally prepared by Southern Custom Exhibits located in Anniston, Ala.

Join us for a time of celebration on November 21.

Thursday, November 21, 2019
